Care that goes deeper...

PRIVATE, PERSONAL CARE IN YOUR HOME THAT IS  
FLEXIBLE, RESPONSIVE AND AFFORDABLE.

# Welcome

ESTABLISHED IN 1993,  
BROMILOW IS A VIBRANT  
SUNSHINE COAST COMPANY  
OFFERING A RANGE OF  
SERVICES TO ASSIST PEOPLE IN  
AND AROUND THEIR HOMES.

CARE THAT GOES DEEPER...

# Bromilow's main streams of service are:

- PERSONAL CARE
- IN-HOME RESPITE CARE
- HELP WITH HOUSEWORK

These services are available every day of the year.

Our primary role is to help seniors and disabled people to both maintain their independence and enjoy an enhanced quality of life.

A wide selection of government funded community programs are available. These include Home Care Packages through the Commonwealth Department of Social Services; in-home respite through the Commonwealth Home Support Program (CHSP); Veterans' Home Care through the Department of Veterans' Affairs and services through Home and Community Care (HACC). Ask us for more details.

# Personal Care

WHEN YOU OR A LOVED ONE NEEDS IN-HOME CARE, BROMILOW CAN HELP. WHATEVER THE REQUIREMENT, WE TAKE PRIDE IN MATCHING OUR CARERS AND OUR SERVICES TO SUIT THE NEEDS AND WISHES OF OUR CLIENTS.

For the elderly, infirmed or disabled, we provide assistance in showering, toileting and getting in and out of bed – as well as respite care, companionship, community access and medication monitoring.

We work closely with Sunshine Coast and Brisbane Hospitals – as well as other support organizations – to provide sensitive, detailed, in-home care with the highest levels of integrity and professionalism.

Importantly, we are not an agency. Our carers are our own people. Everyone who works for Bromilow

is an employee, selected for their professional experience and personal qualities.

Bromilow's staff are trained in our own special way to provide care that goes much deeper than simply assisting.

These services are not only available through a variety of government funded programs but also on a fee for service basis.

FLEXIBLE, RESPONSIVE AND AFFORDABLE

# In-home Respite Care

IN-HOME RESPITE CARE PROVIDES A VALUABLE SERVICE FOR FAMILY CARERS BY ALLOWING THEM TO HAVE A BREAK FROM THEIR CARING ROLE - IT ALLOWS CARERS 'TIME-OUT' TO ENHANCE THEIR OWN LIVES.

Bromilow is an approved provider of government funded respite services through the Commonwealth Home Support Program (CHSP), Veterans' Home Care (VHC) and Home and Community Care (HACC) programs.

Like all of its services, Bromilow's in-home respite services are very flexible and are available 365 days a year. Bromilow also offers 24 hour in-home respite services.

# Household Care

## LIFE NEEDN'T BE A CHORE.

Household care is also available to eligible clients through government subsidised programs, such as the Department of Veterans' Affairs Veterans' Home Care program (available to War Veterans and their families) and the Commonwealth Home Support (CHSP) and Home and Community Care (HACC) programs. CHSP and HACC services are designed to assist the frail aged, younger people with a disability and their carers.

Private services are also available on a fee for service basis.

Many of our clients are professional people who work full-time and simply want these tasks taken care of with the minimum of fuss.

With Bromilow, you are assured of reliability and attention to detail.

# Affordable Care

YOU WILL FIND THAT OUR RATES ARE MORE THAN REASONABLE AND FULLY COMPARABLE WITH THE OTHER COMMUNITY CARE ORGANIZATIONS THAT WE WORK WITH. WHAT'S MORE, WE ARE USUALLY ABLE TO OFFER CARE FOR AS LITTLE AS AN HOUR AT A TIME.

At Bromilow we are committed to enhancing the quality of life of all of our clients. Please contact us with your requirements. And find out about Bromilow care... care that goes deeper.
